4 - 6 weeks

Completion Date  
Nov 10, 2020

Investment:

\$50.00.

Due upon project  
completion

scope

What's Included:

01.

Questionnaire

A questionnaire will be given to capture your tastes, preferences and information you would like included on your project.

02.

Mood & Identity Boards

Using the preferences from your questionnaire, I will create mood and identity boards to establish a color palette, fonts, logo and overall style.

03.

Photoshop Design Renderings

Once styling elements are selected, Photoshoped design renderings will be created to showcase website layouts for mobile, tablet and desktop.

04.

Website Files

After the website design has been finalized, a responsive website will be created and final files will be turned over. Assistance with publishing is available.
